

PricewaterhouseCoopers (www.pwc.com) provides industry-focused assurance, tax and advisory services to build public trust and enhance value for its clients and their stakeholders. More than 140,000 people in 149 countries across our network share their thinking, experience and solutions to develop fresh perspectives and practical advice. PricewaterhouseCoopers Luxembourg (www.pwc.com/lu) has over 1500 skilled professionals coming from more than 29 different countries.

("PricewaterhouseCoopers" refers to the network of member firms of PricewaterhouseCoopers International Limited, each of which is a separate and independent legal entity.)

As the leading audit firm in Luxembourg, in connection with the development of our business, we are looking for:

Junior auditors September 2008 (m/f)

Reference: JA/SEPT08/UK

We offer the following

- The opportunity to accompany our teams on audit assignments. You will also have a chance to take part in global risk management projects.
- You will be able to compare your theoretical knowledge to the realities of new international accounting standards and requirements, working with expert teams (IFRS, US GAAP, Sarbanes Oxley, UCITS III, etc).
- A flexible training curriculum, which enables you to design your own training plan depending on your own needs and aspirations.
- A motivating career path and real mobility opportunities – within the company in Luxembourg but also globally – which are an undeniable asset in the long-term management of your career plan.
- An innovative remuneration package which takes your abilities and personal situation into account.

What about you?

- You have graduated or are about to graduate from university (with a degree in economics or management) or from business school. Ideally, you specialised in finance or audit.
- You would like to work in an international environment, serving prestigious clients and gaining solid professional experience.
- Excellent communication skills in English (your knowledge of French or German will be an added bonus).

The hiring process is starting now and the start date is scheduled for **September 2008**.
